BLINDS & CURTAINS

# INTRODUCTION TO BLINDTEX

Blindtex is a premium UK-based window coverings' firm. For over 30 years our team has been providing quality products, exceptional brand experience and bespoke window treatments to various business sectors in the UK and MENA region.

Designed in the UK and manufactured in UAE, our products undergo rigorous testing and quality control, while our Research and Development department is constantly expanding our product range to meet the rapidly growing demand for more sophisticated products at accessible prices.

## OUR VISION

Our vision is to build worldwide recognition and create an exceptional brand experience while enriching the quality of life for the customers we serve.

## OUR MISSION

Our mission is to establish Blindtex as a premier window styling firm, while preserving our unwavering quality standards while we flourish. To always channel a passion for our clientele and be consistent in delivering the best customer service.

# TOP MANAGEMENT

Meet Our Experienced Executive Team

**MARTIN CAIRNS** - Managing Director

With over 30 years in the industry and a proven track record in both retail and manufacturing. He has overseen the unprecedented growth of the business since he took over in 2013. He understands the value of a quality supply chain and ensures standards are maintained.

**VICTORIA BARLAS** - Product Design Manager

Coming from a UK textile town and using over 15 years of retailing experience in the window coverings sector, she has developed an eye for design. She now spends her time travelling to source fabrics, developing and delivery of new products to the market.

**ZUBAIR ZAKERIA** - General Manager

He is a self-driven General Manager at Blindtex with more than a decade of experience in financials & production management. He has been instrumental in establishing products, delivering a high level of service for all our clients and streamlining factory processes thereby providing strategic analyses for the management to determine projects and company profitability.

**SAID DARKAOUI** - Creative Art Director

A multidisciplinary Creative Art Director from Morocco heading the Media & Marketing Department at Blindtex. With over 22 years of UAE experience in the industry, he is a strong conceptual thinker and an outstanding visual and strategically focused designer with hands-on expertise in media & graphic designing software with Adobe, Autodesk & Google certification.

**NICOLE CAIRNS** - Operations Manager

Being raised in the family blinds business and having had the opportunity to work through the ranks in the UK, Nicole is now our operations manager in the UAE. She has a diploma in Business Studies and her focus is on making sure the company delivers a customer centred quality-based approach. Ensuring you, as our customers are completely satisfied.

# ROLLER BLINDS

Manual | Motorised

We have created exciting options to choose from, enabling you to create a personalised roller blind.

Our team has developed an exclusive to Blindtex roller blind cassette and bottom bar system, which can be customised with matching or contrasting fabric covers.

The vast fabric choice has been hand-picked by our in house design team with hundreds of printed fabric designs to choose from.

Through sheer innovation we have developed an unrivalled collection of digital prints all of which have been created uniquely for Blindtex, ensuring us to introduce the very latest roller blind within the industry.

Rainsford Blue

# VERTICAL BLINDS

Manual | Motorised

Vertical blinds are the most versatile of products giving you effortless control over light and privacy.

Blindtex offers a huge range of fabrics in a variety of colours and textures to suit all environments.

Our Vertical Blinds are operated using a sleek slim-line Vogue system or our unique Cassette System.

# DUPLEX BLINDS

Manual | Motorised

Stylish and simple to use, Blindtex exclusive Duplex blinds filter light into a room using a two-phase system that switches from dim-out to sheer.

Simply operated via a chain system, alternate strips of dim out and sheer fabrics can be aligned to create a full sheer blind, a full dim out blind, or a mixture of the two.

Available in a variety of colours, the Duplex blind works well in any environment.

# PANEL BLINDS

Manual | Motorised

Window coverage with a modern twist; our Blindex Panel blind range is ideal for large window spaces.

Panel blinds use a sliding system for smooth operation, neatly stacking panels to either side of the window when in the open position, or sliding over the width of the window to create a truly stunning feature in any room.

# ROMEX BLINDS

Manual | Motorised

Romex blinds create a stunning focal point in any room. With a huge range of options in hard roller fabrics, these stitch-less Roman blinds are the modern alternative to the traditional Roman blind.

Available in standard, dim-out or blackout fabrics.

Medicated Roller Blinds

# VERTEX BLINDS

Manual | Motorised

Vertex blinds are the latest addition to our range, combining the luxurious look of curtains but operate with the versatility of vertical blinds. Vertex is ideally suited for large window spaces and bi-folding doors.

Each fabric louvre softly folds to create a uniform appearance and because each louvre hangs independently you can walk through the blind to your outdoor area, without disturbing the ambience in your room.
